(2) Any person driving a motor vehicle on a road including any person who supervises that person whilst driving shall, on being so required by a police constable,
produce his licence for examination, so as to enable the police

the licence, the date of issue, and the authority by which it
was issued, and if he fails so to do, he shall be guilty of an
offence.

(3) Any person producing his licence under the
preceding subsection shall, if requested to do so, declare his
present address and if he refuses he shall be guilty of an
offence.

24. A licence to drive a motor vehicle shall not be
granted to any applicant unless he satisfies the licensing
officer that he has either –

(a) at some time passed the prescribed
test of competence to drive; or

(b) at any time before the commencement
of this Act held a certificate in
Guyana or a licence elsewhere in the
Commonwealth authorising him to
drive any motor vehicle of the class or
description which he would be
authorised by the licence applied for
to drive.

25. (1) For the purpose of enabling the applicant for
the grant of a licence to learn to drive a motor vehicle with a
view to passing the prescribed test, the licensing authority
may, if so requested by him, and on payment of the
prescribed fee, grant him a provisional licence upon such
terms and conditions, and for such period, and in such form,
as may be prescribed.

(2) If any person to whom such a provisional
licence is granted fails to comply with any of the conditions
subject to which it is granted, he shall be guilty of an offence.
26. Tests of competence to drive a motor vehicle shall be conducted by a certifying officer in the prescribed manner and on payment of the prescribed fee.

27. (1) On an application for the grant of a driver’s licence the applicant shall make a declaration in the prescribed form as to whether or not he is suffering from any such disease or physical disability as may be specified in the form, or any other disease or physical disability which would be likely to cause the driving by him of a motor vehicle, being a vehicle of such a class or description as he would be authorised by the licence to drive, to be a source of danger to the public.

(2) If from the declaration it appears that the applicant is suffering from any such disease or disability as aforesaid, the certifying officer shall refuse to grant the licence:

Provided that—

(a) a licence limited to driving an invalid carriage may be granted to the applicant if the certifying officer is satisfied that he is fit to drive such carriage;

test proves his fitness to drive vehicles of a particular construction or design only, the licence shall be limited to the driving of such vehicles;

(c) if on the first application for the grant of a licence by a person who at the commencement of this Act is the holder of a driver’s certificate under the (repealed) Motor Vehicles Act, 1932, an applicant who is suffering from a disease or disability other than a disease or disability prescribed as aforesaid makes a declaration that notwithstanding his disease or disability he has during the six months immediately preceding the application been in the habit of driving a motor vehicle of any such class or description as he would be authorised by the licence to drive and that the disease or disability from which he suffered did not cause the driving of such a motor vehicle by him to be a source of danger to the public, the licence shall not be refused by reason only of this subsection;

(d) if on the application for the grant of a driver’s licence the applicant makes a declaration that on the occasion of a previous application by him a licence was granted to him after passing such a test as aforesaid, or making such a declaration as is mentioned in the last preceding paragraph of this proviso, a further test shall not be required, unless from the declaration as to physical fitness made by him for the
purposes of his application, or from information received by the certifying officer, it appears that the disease or physical disability from which the applicant is suffering has become more acute, or that the applicant is suffering from some disease or disability not disclosed on the previous occasion or contracted since that occasion.

(3) If it appears to a certifying officer that there is reason to believe that any person who holds a licence is suffering from a disease or physical disability likely to cause the driving by him of a motor vehicle, being a vehicle of any such class or description as he is authorised by the licence to drive, to be a source of danger to the public, and on inquiry into the matter the certifying officer is satisfied that the licence holder is suffering from such a disease or disability as aforesaid, then, whether or not the holder so suffering as aforesaid has previously passed a test under this section, the certifying officer may, after giving to the licence holder notice of his intention so to do, revoke the licence and the licence holder shall, on receipt of such notice, deliver the licence to the certifying officer for cancellation:

Provided that the licence holder may, except in the case of such disease and disabilities as may be prescribed, claim to be subjected to a test as to his fitness or disability to drive a motor vehicle, and if he passes the prescribed test the licence shall not be revoked.

(4) If any person is aggrieved by the refusal of a certifying officer to grant a licence or by the revocation of a licence under this section, he may, after giving to the officer notice of his intention so to do, appeal to the magistrate’s court of the magisterial district in which the said person resides, and on any such appeal the court may make such order as it thinks fit, and any order so made shall be binding
28. (1) Subject to this Part the licensing officer, except in the case of an applicant who is disqualified as hereinafter mentioned, shall on payment of the prescribed fee grant a licence to any person who applies for it in the prescribed manner and makes a declaration in the prescribed form that he is not disqualified by reason of age or otherwise from obtaining the licence for which he is applying:

Provided that no fee shall be payable by any police constable or member of the Guyana Defence Force who is required to drive in the course of his duty any motor vehicle which is the property of the State.

(2) Licences shall be in the prescribed form, and where under this Part the applicant is subject to any restriction with respect to the driving of any class of motor vehicle, the extent of the restriction shall be specified in the prescribed manner on the licence.

been granted to a person shall be evidence that that person for
the purpose of obtaining that licence made a declaration that
he was not disqualified from holding or obtaining the licence.

29. The Licensing Authority shall keep a register of all
driving licences issued in which shall be entered the name
and address of the holder and the date of issue of the licence,

become subject shall be endorsed on
any licence held by the offender:

Provided that, if the court thinks fit, any disqualification
imposed under this section may be limited to the driving of a
motor vehicle of the same class or description as the vehicle in
relation to which the offence was committed.

(2) A person who by virtue of an order of a court
under this Act is disqualified from holding or obtaining a
licence may appeal against the order in the same manner as
against a conviction, and the court may, if it thinks fit,
notwithstanding the provisions of the Summary Jurisdiction
(Appeals) Act, declare that the disqualification shall operate
pending the appeal.

(5) If any person who under this Act is disqualified from holding or obtaining a licence applies for or obtains a licence while he is so disqualified or if any such person while he is so disqualified drives a motor vehicle, or, if the disqualification is limited to the driving of a motor vehicle of a particular class or description, a motor vehicle of that class or description, on a road, that person shall be liable on summary conviction to imprisonment for twelve months or if the court thinks that, having regard to the special circumstances of the case, a fine would be an adequate
punishment for the offence, to a fine of not less than twenty-five thousand dollars nor more than fifty thousand dollars, or to both such imprisonment and such fine, and a licence obtained by any person disqualified as aforesaid shall be of no effect.

(6) Notwithstanding any enactment prescribing the time within which proceedings may be brought before a court of summary jurisdiction, proceedings for an offence under subsection (5) may be brought—
